1. WHAT INFORMATION DO WE COLLECT?

The personal information you disclose to us

In Short: We collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when registering at the Apps, expressing an interest in obtaining information about us or our products and services, when participating in activities on the Apps or otherwise contacting us.

The personal information that we collect depends on the context of your interactions with us and the Apps, the choices you make and the products and features you use. The personal information we collect can include the following:

Publicly Available Personal Information. We collect first name, maiden name, last name, and nickname; current and former address; phone numbers; email addresses; business phone number; business email; social media; and other similar data.

Personal Information Provided by You. We collect app usage; data collected from surveys; purchase history; passwords; and other similar data.

Social Media Login Data. We may provide you with the option to register using social media account details, like your Facebook, Twitter or other social media account. If you choose to register in this way, we will collect the Information described in the section called "HOW DO WE HANDLE YOUR SOCIAL LOGINS" below.

All personal information that you provide to us must be true, complete and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

In Short: Some information — such as IP address and/or browser and device characteristics — is collected automatically when you visit our Apps.

We automatically collect certain information when you visit, use or navigate the Apps. This information does not reveal your specific identity (like your name or contact information) but may include device and usage information, such as your IP address, browser and device characteristics, operating system, language preferences, referring URLs, device name, country, location, information about how and when you use our Apps and other technical information. This information is primarily needed to maintain the security and operation of our Apps, and for our internal analytics and reporting purposes.

Like many businesses, we also collect information through cookies and similar technologies.

Online Identifiers. We collect applications; device's geolocation; and other similar data.

Information collected through our Apps

In Short: We may collect information regarding your geo-location, mobile device, push notifications, and Facebook permissions when you use our apps.

If you use our Apps, we may also collect the following information:

- **Geo-Location Information.** We may request access or permission to and track location-based information from your mobile device, either continuously or while you are using our mobile application, to provide location-based services. If you wish to change our access or permissions, you may do so in your device's settings.

- **Mobile Device Access.** We may request access or permission to certain features from your mobile device, including your mobile device's camera, social media accounts, sensors, storage, and other features. If you wish to change our access or permissions, you may do so in your device's settings.
- **Mobile Device Data.** We may automatically collect device information (such as your mobile device ID, model and manufacturer), operating system, version information and IP address.
- **Push Notifications.** We may request to send you push notifications regarding your account or the mobile application. If you wish to opt-out from receiving these types of communications, you may turn them off in your device's settings.
- **Facebook Permissions.** We by default access your Facebook basic account information, including your name, email, gender, birthday, current city, and profile picture URL, as well as other information that you choose to make public. We may also request access to other permissions related to your account(s), such as friends, check-ins, and likes, and you may choose to grant or deny us access to each individual permission. For more information regarding Facebook permissions, refer to the Facebook Permissions Reference page.

2. HOW DO WE USE YOUR INFORMATION?

In Short: We process your information for purposes based on legitimate business interests, the fulfilment of our contract with you, compliance with our legal obligations, and/or your consent. We use personal information collected via our Apps for a variety of business purposes described below. We process your personal information for these purposes in reliance on our legitimate business interests, in order to enter into or perform a contract with you, with your consent, and/or for compliance with our legal obligations. We indicate the specific processing grounds we rely on next to each purpose listed below.

We use the information we collect or receive:

- To facilitate account creation and logon process. If you choose to link your account with us to a third party account (such as your Google or Facebook account), we use the information you allowed us to collect from those third parties to facilitate account creation and logon process for the performance of the contract. See the section below headed "HOW DO WE HANDLE YOUR SOCIAL LOGINS" for further information.
- To send administrative information to you. We may use your personal information to send you the product, service and new feature information and/or information about changes to our terms, conditions, and policies.

3. WILL YOUR INFORMATION BE SHARED WITH ANYONE?

In Short: We only share information with your consent, to comply with laws, to provide you with services, to protect your rights, or to fulfil business obligations.

We may process or share data based on the following legal basis:

- **Consent:** We may process your data if you have given us specific consent to use your personal information in a specific purpose.
- **Legitimate Interests:** We may process your data when it is reasonably necessary to achieve our legitimate business interests.

- **Performance of a Contract:** Where we have entered into a contract with you, we may process your personal information to fulfil the terms of our contract.
- **Legal Obligations:** We may disclose your information where we are legally required to do so in order to comply with applicable law, governmental requests, a judicial proceeding, court order, or legal process, such as in response to a court order or a subpoena (including in response to public authorities to meet national security or law enforcement requirements).
- **Vital Interests:** We may disclose your information where we believe it is necessary to investigate, prevent, or take action regarding potential violations of our policies, suspected fraud, situations involving potential threats to the safety of any person and illegal activities, or as evidence in litigation in which we are involved.

More specifically, we may need to process your data or share your personal information in the following situations:

- **Vendors, Consultants and Other Third-Party Service Providers.** We may share your data with third-party vendors, service providers, contractors or agents who perform services for us or on our behalf and require access to such information to do that work. Examples include: payment processing, data analysis, email delivery, hosting services, customer service and marketing efforts. We may allow selected third parties to use tracking technology on the Apps, which will enable them to collect data about how you interact with the Apps over time. This information may be used to, among other things, analyze and track data, determine the popularity of certain content and better understand online activity. Unless described in this Policy, we do not share, sell, rent or trade any of your information with third parties for their promotional purposes.
- **Business Transfers.** We may share or transfer your information in connection with, or during negotiations of, any merger, sale of company assets, financing, or acquisition of all or a portion of our business to another company.
- **Third-Party Advertisers.** We may use third-party advertising companies to serve ads when you visit the Apps. These companies may use information about your visits to our Website(s) and other websites that are contained in web cookies and other tracking technologies in order to provide advertisements about goods and services of interest to you.
- **Offer Wall.** Our Apps may display a third-party hosted "offer wall." Such an offer wall allows third-party advertisers to offer virtual currency, gifts, or other items to users in return for acceptance and completion of an advertisement offer. Such an offer wall may appear in our mobile application and be displayed to you based on certain data, such as your geographic area or demographic information. When you click on an offer wall, you will leave our mobile application. A unique identifier, such as your user ID, will be shared with the offer wall provider in order to prevent fraud and properly credit your account.

4. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

In Short: We may use cookies and other tracking technologies to collect and store your information. We may use cookies and similar tracking technologies (like web beacons and pixels) to access or store information. Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Policy.

5. DO WE USE GOOGLE MAPS?

In Short: Yes, we use Google Maps for the purpose of providing better service.

This website, mobile application, or Facebook application uses Google Maps APIs. You may find the Google Maps APIs Terms of Service here. To better understand Google's Privacy Policy, please refer to this link.

By using our Maps API Implementation, you agree to be bound by Google's Terms of Service. You agree to allow us to obtain or cache your location. You may revoke your consent at any time.

6. HOW DO WE HANDLE YOUR SOCIAL LOGINS?

In Short: If you choose to register or log in to our services using a social media account, we may have access to certain information about you.

Our Apps offer you the ability to register and log in using your third party social media account details (like your Facebook or Twitter logins). Where you choose to do this, we will receive certain profile information about you from your social media provider. The profile Information we receive may vary depending on the social media provider concerned, but will often include your name, e-mail address, friends list, profile picture as well as other information you choose to make public. If you log in using Facebook, we may also request access to other permissions related to your account, such as friends, check-ins, and likes, and you may choose to grant or deny us access to each individual permission.

We will use the information we receive only for the purposes that are described in this privacy policy or that are otherwise made clear to you on the Apps. Please note that we do not control, and are not responsible for, other uses of your personal information by your third-party social media provider. We recommend that you review their privacy policy to understand how they collect, use and share your personal information, and how you can set your privacy preferences on their sites and apps.

7. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short: We keep your information for as long as necessary to fulfil the purposes outlined in this privacy policy unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this privacy policy, unless a longer retention period is required or permitted by law (such as tax, accounting or other legal requirements). No purpose in this policy will require us keeping your personal information for longer than the period of time in which users have an account with us.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymize it, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

8. HOW DO WE KEEP YOUR INFORMATION SAFE?

In Short: We aim to protect your personal information through a system of organizational and technical security measures.

We have implemented appropriate technical and organizational security measures designed to protect the security of any personal information we process. However, please also remember that we cannot guarantee that the internet itself is 100% secure. Although we will do our best to protect your personal information, the transmission of personal information to and from our Apps is at your own risk. You should only access the services within a secure environment.

9. DO WE COLLECT INFORMATION FROM MINORS?

In Short: We do not knowingly collect data from or market to children under 18 years of age. We do not knowingly solicit data from or market to children under 18 years of age. By using the Apps, you represent that you are at least 18 or that you are the parent or guardian of such a minor and consent to such minor dependent's use of the Apps. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we have collected from children under age 18, please contact us at edmundschoeman@gmail.com.

10. WHAT ARE YOUR PRIVACY RIGHTS?

In Short: You may review, change, or terminate your account at any time. If you are resident in the GCC Area and you believe we are unlawfully processing your personal information, you also have the right to complain to your local data protection supervisory authority. You can find their contact details here: <https://u.ae/en/information-and-services/justice-safety-and-the-law/cyber-safety-and-digital-security/report-cybercrimes-online>

If you have questions or comments about your privacy rights, you may email us at edmund@theaffaapp.com

Account Information

If you would at any time like to review or change the information in your account or terminate your account, you can:

- Log into your account settings and update your user account.
- Contact us using the contact information provided.

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases. However, some information may be retained in our files to prevent fraud, troubleshoot problems, assist with any investigations, enforce our Terms of Use and/or comply with legal requirements.

Opting out of email marketing: You can unsubscribe from our marketing email list at any time by clicking on the unsubscribe link in the emails that we send or by contacting us using the details provided below. You will then be removed from the marketing email list – however, we will still need to send you service-related emails that are necessary for the administration and use of your account. To otherwise opt-out, you may:

- Access your account settings and update preferences.

11. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ("DNT") feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. No uniform technology standard for recognizing and implementing DNT signals has been finalized. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy policy.

12. DO UAE RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS?

In Short: Yes, if you are a resident of the UAE, you are granted specific rights regarding access to your personal information.

UAE Cyber Crime Law, permits our users who are UAE residents to request and obtain from us, once a year and free of charge, information about categories of personal information (if any) we disclosed to third parties for direct marketing purposes and the names and addresses of all third parties with which we shared personal information in the immediately preceding calendar year. If you are a UAE resident and would like to make such a request, please submit your request in writing to us using the contact information provided below.

If you are under 18 years of age, reside in the UAE, and have a registered account with the Apps, you have the right to request removal of unwanted data that you publicly post on the Apps. To request removal of such data, please contact us using the contact information provided below, and include the email address associated with your account and a statement that you reside in the UAE. We will make sure the data is not publicly displayed on the Apps, but please be aware that the data may not be completely or comprehensively removed from our systems.

13. DO WE MAKE UPDATES TO THIS POLICY?

In Short: Yes, we will update this policy as necessary to stay compliant with relevant laws.

We may update this privacy policy from time to time. The updated version will be indicated by an updated "Revised" date and the updated version will be effective as soon as it is accessible. If we make material changes to this privacy policy, we may notify you either by prominently posting a notice of such changes or by directly sending you a notification. We encourage you to review this privacy policy frequently to be informed of how we are protecting your information.

14. HOW CAN YOU CONTACT US ABOUT THIS POLICY?

If you have questions or comments about this policy, you may contact our Data Protection Officer (DPO), Edmund Schoeman by email at edmund@thesaffaapp.com, by phone at (+971) 50 176 3605, or by post to:
